

Parents Zone Safety Contract

I _____ Promise my children that I will always follow these rules;

1. First and foremost I promise to always set rules that are fair. I will always remember that I am a guardian not a slave master.
2. I promise that I will never ever ignore what my children are doing on the Internet. Giving rules, then not monitoring them is the same as not giving rules in the first place.
3. I promise that I will never ever do things on the Internet that I have told my children not to do. What is good for the child is good for me.
4. I promise to never ever over-react to anything that my child tells me that has happened. Teaching my children patience and calm reaction to every issue is best for me and my child.
5. I promise to always fairly consider every request for permission from my children.
6. I promise to meet each of my children's friends whether online friends or not.
7. I promise that if I do not understand the Internet, that I will seek help to learn enough to make sure that my family is safe.
8. I promise to never ever leave my children alone while on the Internet. Remember the computer is not a babysitter.
9. I promise to set reasonable times for my children to access the Internet.
10. I promise to never ever hurt anyone or to ever break the law, whether I am on the Internet or not.
11. Finally, I promise to always be a good Internet citizen and to follow the good netiquette rules.
